**WISCONSIN INDIGENOUS HOUSING
& ECONOMIC DEVELOPMENT CORP.**

HOUSING AND ECONOMIC DEVELOPMENT CONFERENCE

**NOVEMBER
5th-6th 2025**

Lake of the Torches Resort and Casino | 510 Old Abe Rd, Lac Du Flambeau, WI

Shekoli, Posoh, Boozhoo, Aho, Hello!

As CEO of the Wisconsin Indigenous Housing & Economic Development Corporation, I am excited to invite you to join us as a Sponsor for our upcoming 2025 Housing and Economic Development Conference.

This conference is Wisconsin's leading forum where housing experts, economic innovators, and policy makers gather to shape the future of housing and economic growth in our state.

By partnering with WIHEDC, your organization will gain meaningful visibility and the opportunity to engage directly with key stakeholders who are committed to advancing housing and economic development. Sponsors will receive recognition in event materials, networking access, and opportunities to showcase their leadership before a statewide and regional audience.

Your support not only enhances your company's profile but also strengthens Native-led initiatives that foster housing stability and economic empowerment in Wisconsin's Tribal and rural communities. We have designed several sponsorship packages to suit various levels of engagement, and I am confident we can identify one that aligns with your goals.

We would be honored to have your support, and I would welcome the opportunity to discuss a sponsorship package that best fits your organization.

Warm regards,

Fern V. Orie

Chief Executive Officer

Wisconsin Indigenous Housing & Economic Development Corporation
